Biographies

Contents

Part -(A) Supervised Learning

Part -(B) Unsupervised Learning

List of Figures

1 - Introduction/Introduction”

2 - Search-Based Optimization/Search-Based Optimization”

2 - Search-Based Optimization/Simulated Annealing/Simulated Annealing”

2 - Search-Based Optimization/Particle Swarm Optimization/Particle Swarm Optimization”

2 - Search-Based Optimization/Other Search-Based Optimization Approaches/Other Search-Based Optimization Approaches”

3 - Learning Systems/Learning Systems”

Part -(A)

Supervised Learning

3 - Learning Systems/Supervised Learning/Multilayer Perceptron/Multilayer Perceptron”

3 - Learning Systems/Supervised Learning/Naive Bayes/Naive Bayes”

Part -(B)
Unsupervised Learning

3 - Learning Systems/Unsupervised Learning/k-Means/k-Means”

3 - Learning Systems/Unsupervised Learning/DBScan/DBScan”

3 - Learning Systems/Unsupervised Learning/Evaluation/Evaluation”
